

**Judges Hill Neighborhood Association Dues
and
Residential Parking Renewals**

December 17, 2007

Dear Neighbors,

Thank you for your 2007 contributions to the neighborhood and the JHNA treasury! Our association charter calls for the annual collection of \$50 in dues in order to maintain membership and voting rights. Of course you are free to contribute more, especially if there are certain causes you strongly support, so the format below has been structured to allow for that option.

Residential Permit Parking (RPP) passes from 2007 expire on January 31, 2008. Distributing of 2008 permits will begin on January 2nd. If you participate in the Residential Parking Permit program, please mail this renewal form before year end to allow time for distribution of new permits prior to the expiration date. Please note that the City of Austin has increased the Residential Permit Parking fee from \$15 to \$20.
